PARK SMART

Pay for your on-street parking without having to leave your vehicle or remembering to bring change.

Get a text reminder when your time is almost up!

Download the app now from the [Blackberry](#), [Google Play](#) and [iOS App Store](#). by searching "Pay By Phone"

Benefits of using Pay By Phone:

- All you need is your mobile phone
- Be automatically reminded when your time is almost up
- Extend your parking time from your phone if you have not purchased the maximum purchase time
- View and print parking transactions online

More information can be found at Paybyphone.com

Based on the Parking Meter By-law 6547/95, once you have exceeded the maximum time for that parking spot, re-metering is not permitted, and you can be ticketed if your vehicle hasn't moved through an intersection
