

2021
[YEAR OF THE OX]
CHINATOWN BANNER COMPETITION
CALL TO CREATORS
DEADLINE JANUARY 8, 2021

[COMPETITION DEADLINE]

The Downtown Winnipeg BIZ, in conjunction with the Winnipeg Chinese Cultural and Community Centre (WCCCC), is conducting a design competition for Chinatown zodiac banners. An honorarium of \$800.00 will be awarded for the successful banner design. All submissions must be emailed to the Downtown Winnipeg BIZ and be received no later than 5:00 pm Friday, January 8, 2021.

[COMPETITION BACKGROUND]

A goal of the Downtown Winnipeg BIZ is to implement and use street banners, to unify the downtown and highlight significant buildings and key districts throughout the downtown.

[YEAR OF THE OX BACKGROUND INFORMATION]

Many Asian folk traditions follow a lunar calendar, with years named by a rotating cycle of twelve animal signs, that are repeated in a 12-year cycle. 2021 is the Year of the Ox, beginning on Friday, February 12, 2021, according to the lunar calendar.

[CHINATOWN BANNER COMPETITION]

All those in creative fields are called on to submit their designs for the 2021 Chinatown street banners. Due to the COVID-19 global pandemic, all submissions must be produced digitally.

The winning design will emphasize the Year of the Ox, at the same time complementing the existing Chinatown district banner in terms of colour, type and graphics, since they will be viewed consecutively on the street. Year of the Ox banners will be removed at the end of the year. All banners will be mounted in the six square blocks bounded by Main Street, Princess Street, Logan Avenue and James Avenue.

[COMPETITION CRITERIA]

The following is a list of criteria to be followed when composing your banner design. The design must:

- be distinctive and captivating as a composition;
- depict the Year of the Ox, with sensitivity to the traits of the Ox most significant to Chinese culture and celebration in the Chinese diaspora;
- the words “Year of the Ox” and “2021” should be integrated in the banner design;
- be distinctive and representative of the unique character and history of Chinatown;
- define and support the architecture, signage, and street furniture in Chinatown;
- take into consideration the existing “Chinatown District” banner;
- consider the cross-seasonal visual impact of the banner (i.e., focus on vivid colours while minimizing washed out colours and white);
- keep imagery simple and type of a scale to be easily viewed and appreciated from both a pedestrian and by a distance from moving vehicles.

[TECHNICAL CONSIDERATIONS FOR THE DESIGNS]

The successful designer of the winning design will consider the following technical elements:

- actual size of the banner is 30” x 90”;
- the design will be duplicated on both sides of the banner;
- design should take into consideration the construction of 3” sleeves at the top and at the bottom of the banner to ensure minimum disruption of the design;
- design must be produced digitally;
- banner will be vinyl and printed with solvent inks;
- the creator(s) will work closely with the Downtown Winnipeg BIZ and the manufacturer to ensure that the desired overall look of the banner design is achieved.
