

Welcome Decals

The Welcome Decal Initiative is a powerful and symbolic initiative that celebrates Indigenous languages. This initiative is a challenge to downtown businesses to work towards greater reconciliation with the Indigenous community, and in fostering understanding, respect and dignity for all. This initiative links to the fourth guiding principle outlined in a report by the Truth and Reconciliation Commission of Canada: "Reconciliation requires constructive action on addressing the ongoing legacies of colonialism that have had destructive impacts on Aboriginal peoples' education, cultures, and languages."
